

Need Medical Care?

No Insurance?

We Can Help!

You may qualify for donated medical services through Project Access if you:

- Are a U.S. citizen
(or permanent lawful resident)
- Live in Sedgwick County
- Meet income guidelines

What is Project Access?

- A network of volunteer doctors, hospitals, pharmacies and others who provide short-term donated care for uninsured residents of Sedgwick County.
- It is not a health insurance program.

Who is eligible?

- Individuals with an immediate medical need whose household income is at or below 200% of federal poverty level
- People with no health insurance or other medical benefits such as Medicare, Medicaid, Veteran's medical, etc.
- U.S. citizens or lawful permanent residents living in Sedgwick County

How do I get enrolled?

If you receive care from primary care physician and are unable to pay for the services or need to see a specialist:

- Ask your doctor or nurse about a referral to Project Access.
- A Project Access service coordinator will contact you to start the application process.
- You must provide documentation of eligibility.

If you receive medical care at a community primary care clinic and need to see a specialist:

- Ask the clinic to refer you to Project Access.
- You will meet with the clinic's SRS eligibility specialist to start the application process.
- You must provide documentation of eligibility.

What happens after I am enrolled?

- If you are enrolled through your doctor, he or she will continue to provide your care
- If you are enrolled through a community clinic, you will be referred to a specialist.
- Enrollment periods are 3 months for specialty care and 6 months for primary care.
- You will receive an Identification card and a Pharmacy card that requires a co-pay for generic only prescriptions filled at participating pharmacies.
